

## RefectoCil® Brow & Lash Booster

2 in 1 – Double Effect, 6 ml.

### One booster for both, brows and lashes!

Enhance your lashes and brows with our Brow & Lash Booster, designed to lengthen lashes and create fuller, gap-free eyebrows.

The innovative applicator makes it particularly easy to apply: the narrow tip allows precise application to the lash line, the wide underside is ideal for the eyebrows.

- Vegan
- No hormones
- No perfume
- Made in Austria

New, vegan  
formulation

### Target group:

- ideal for clients who want natural eyelash growth.
- Clients with thin, sparse, overplucked or patchy eyebrows.
- Clients who prefer vegan products.

### Application:

Use daily after cleansing your face in the morning and at night. Apply a small amount with the narrow tip to the lash line and use the broad underside for applying the Brow & Lash Booster to clean and dry eyebrows. Initially a light, short-lived tingling can occur which is harmless.
