

RefectoCil Application Set Mini

5 units mini tinting dishes, 5 units application sticks

Practical set for mixing and applying tints

Mix and apply tint comfortably with the RefectoCil Application Set Mini. It consists of 5 small, light, unbreakable mini tinting dishes and 5 application sticks that are equipped with an innovative comb.

- Tinting dish: the plain surface allows easy & quick cleaning
- The shape of the tinting dishes allows easy & safe placing of the Application sticks.
- Application sticks: when applying the tint, hairs are separated by the rills, the comb can be used before, after or inbetween the application, therefore a beautiful and smooth tinting result is ensured.

Application:

- Preparation: use RefectoCil Silicone Pads or Skin Protection Cream and Eye protection papers according to instructions.
- Mix 2 cm of tint and 10 drops of RefectoCil Oxidant liquid or 15-20 drops of RefectoCil Oxidant cream using the tinting dish to create a creamy paste. Apply to eyelashes and eyebrows with the grey Application sticks.
- Leave on for 5-10 minutes.
- Remove using cotton wool and water.

If RefectoCil Blonde Brow has been previously used, the application time is shortened by 1-5 minutes, with RefectoCil Eyelash perm it's shortened to 2 minutes.
